Students should provide the following supplies:

- A few of your favourite ghostly images (old cabinet card style photos work well) Your class kit will include a full sheet of images so need to go overboard with this.
- A couple of your favourite images printed out on acetate (transparency film) – I will also provide a couple of these images but if you want to use your own images bring them along.
- A few found object-y things, we are working fairly small, so think about things like keyholes, gears, small brass findings, little wings, eyeballs, little dolly bits, buttons, lace, etc., you get the idea
- Paintbrushes– bring just a few in different sizes and one better quality detail brush.
- Palette & Water Container
- Scissors
- Your usual marking making tools (pencils, markers, etc.)
